### **Cost of the policy**

The amount you pay for the insurance depends on the value of the goods being removed or stored. Other factors which determine the premium include:

- The type of insurance selected by you (market or replacement value, transit or storage)
- The distance the goods are transported or period for which the goods are stored
- The insurance cover selected (all risks or only specified risks).

The amount you pay includes any stamp duty and GST.

Our quotation for your transit insurance is firm. Your Removal Company will give you one month's notice of any change in the storage insurance rate.

### **How do I select the amount to be insured?**

It is important that you insure your goods for their full value. This means that you should tell us about the:

- New current value for Replacement Cost Cover (with no allowance for depreciation)
- Replacement cost less an allowance for depreciation for Market Value Cover.

If the declared value of the goods is less than 80% of their actual value at the time of the loss or damage, the amount of the claim will be reduced in the same proportion as the declared value bears to 80% of the actual value.

### **How you pay for the insurance**

The premium will be shown on the quotation for your Contract for Removal and Storage which your Removal Company will provide to you before your goods are removed. When you accept the quotation, your Removal Company will invoice you

You pay for transit insurance when you pay your removal charges. Your Removal Company will invoice you for storage insurance at the same time as the storage charges.

### **Excess**

The amount that you receive for a claim will be reduced by \$250. This is known as an excess.
